HUMAN RESOURCES POLICY

PURPOSE

To detail the human resource management practices that MTO will employ

COMPENSATION

Muay Thai Ontario recognizes that in order to attract and retain the human resource talent that is required to achieve its mission, Muay Thai Ontario must offer salaries competitive not just to the industry of amateur sports but also reflective of the skills and individual possesses.

The Board of Directors is responsible for establishing Muay Thai Ontario's overall compensation philosophy and will review it this policy annually to ensure that it remains competitive and realistic in the space that it operates.

BASE SALARY STRUCTURE

Muay Thai Ontario is committed to establishing and maintaining competitive salaries, reflective of current market conditions. Salary ranges are set at the midpoint of salary ranges for similar positions in the marketplace, as determined through survey data.

JOB CLASSIFICATIONS

Positions with similar impact and scope are grouped together on salary ranges according to a 'job classification' system. This ensures that the principles of pay equity are applied and that salaries are transportable if employees move cross functionally.

INDIVIDUAL SALARY DECISIONS

Individual employee salaries are set within the job salary range, based on their job performance and competency and the salary budget available. On hire into the job, salary is determined based on skills, knowledge and experience in relation to the job requirements and the anticipated level of performance. Muay Thai Ontario aims to move employees to the midpoint of salary ranges as they become fully functional in their role. Annual adjustments are assigned based on performance and competence relative to the position and assigned objectives, and as budget allows.

HIRING POLICIES

Should Muay Thai Ontario decide to hire an employee, the following process will be used.

Topic	Policy

Screening	Screening criteria are established from the job qualifications relating to experience, education and occupational certification as required in the job description. Screening criteria are consistently applied

	against each application, and the screening results are documented for each hiring process.

TERMINATION OF EMPLOYMENT POLICY

Depending on the severity of the performance issues or behaviors, a decision to terminate the employment relationship may have to be made.

There are two types of terminations by Muay Thai Ontario:

DISCHARGE FOR WILLFUL MISCONDUCT:

Willful misconduct implies an act of such gravity and seriousness that it constitutes a breach of the employee's fundamental obligations to the employer, and is therefore grounds for immediate dismissal. Examples of these misconducts include theft, violence, gross negligence of duty, insubordination, abandonment of position, or breach of

confidentiality. If the review of the situation and other relevant facts so warrant, notice of discharge shall be given to the employee and his/her employment terminated immediately, with no notice or pay in lieu of notice.

TERMINATION FOR REASONS OF PERFORMANCE:

Performance issues should be discussed with the employee ahead of time and appropriate steps should be taken to allow the employee the opportunity to improve. All performance discussions should be documented clearly setting out the areas of performance requiring improvement, Muay Thai Ontario's expectations and required results, support available to the employee, and a time frame during which performance must improve. Should there be no change in performance, the Board should be consulted. After consulting with the Board, the employee will be given appropriate notice in accordance with the Employment Standards Act of Ontario.
